	<p>The new ACAM-7200 is the smaller model of the easy-to-carry GCAM series which comes with a prettier image. This particular bag differs from the other for its characteristic box shaped inner which allows an immediate and easy access to the photographic equipment. If the inner is taken off, this bag becomes a very functional and stylish daily bag.</p> <hr/> <p>Material Leather·Nylon Size Bag : W260xH160xD95 mm Inner Case : W240xH145xD80 mm Weight 680g Color Black ■</p>
