## MGN-01

Moderate glossy finish in black monogram, in strong and light nylon-polyester jacquard sawing. The tactile texture changes with the different black patterns making the fashionable, casual but mature style of this series very enjoyable.

The red color of the inside, combined with the external black, gives to this cosmetic pouch a very beautiful image. A particular attention is given to details like the zipper-pulling which are made in leather of the highest quality.

The lipstick and foundation compartments are lined up in a compact and very functional pocket which allows an instant access to the products themselves. This is a pouch that makes the most out of its compact size and a perfect carrier for small articles.

## MGN-02

In order to re-touch your make up, the eyelash curler is an indispensable tool but, because bulky and voluminous, most people avoid carrying it along. With this particular pouch, carrying your own eyelash curler is not a problem anymore thanks to its special design. The practical inside pockets for cell phones, purses, etc..., make this pouch an excellent mini bag for outings or a functional sub-bag for short trips.

## MGN-612

Of a smaller size, this compact double-zipper pouch is the ideal for make-up brushes, pencil and other long shaped make-up tools which can be easily placed in the sectioned pockets, while personal objects can be placed in the second and larger pocket so that all the necessary items can be elegantly stored.

Thanks to its smart design, the access to the objects within is made very easy and immediate.

## MGN-616

A full capacity make-up brush holder. Mascara, lip-gloss and other similar objects can be carried in the 6 purposely shaped pockets.

In this larger size pouch, an electric eyelash curler can be easily and comfortably carried along.

Thanks to its good capacity and slim and functional design this pouch will unnoticeably fit in an office bag or in any A-sized bag.
