PM-041

From the time of its release 6 years ago, the PM series has been acclaimed and sold as a professional make-up bag. This bag (evolution of its predecessor PM-04), created for the professional hair stylists, has a particularly designed series of holders for various tools which has made it very popular. While being pretty compact, inside there are 6 good size pockets plus a bottle holder. The main external feature is a very useful pocket created to fit a box of paper tissues (size approx. W300 x H60 x D120mm). Its weight (560g) it is the final touch that make this product a superb bag.

PM-091

This professional bag for hair stylists can be also used as a casual or standard shoulder bag. Inside there are two bottle-holders which consent a very easy and convenient arrangement of the contents. The overall height of the bag has been kept pretty low to consent an easy and immediate access and extraction of the items. At the front of the bag there are three pockets especially designed for containing specific items/tools. The lightweight material used for this product makes this 640g bag very easy to carry no matter the load. Either as a professional hair make bag or an everyday A4 size bag, this is a very functional and versatile product.
